RANGER STADIUM ART PROJECT

GENERAL DESCRIPTION

- + Involves creating a wall mural/collage for the new stadium facilities building.
- + Will be designed and executed by students working as a team with artist/architect assistance.
- + Participants must commit to participate fully throughout project. Limited excused absences acceptable.
- + Will count toward PHS community service requirements.
- + A great opportunity to learn from others and create something that becomes a permanent part of Livingston.
- + For more information about the stadium improvement project see:
